*A Reputed Escort and Unique tourist organisation for Pilgrimage, Pleasure trips, Educational Tours and sight-Seeing throughout India and International*

Dear Sir/Madam,

I am Rana Pratap Rakshit, a dedicated member of our family-owned travel agency, alongside my father and uncle. Since 1982, I have been actively involved in the operations of Tour operating business "Rakshit Special," benefiting from the wisdom and support of my family.

Before my tenure, my father and uncle had successfully run a travel agency in Bankura (West Bengal) since 1952 and established in Kolkata in the year 1957, earning a commendable reputation. Over the years, our agency has become a well-known name, thanks to the continuous support of our valued travellers and our committed team.

With a legacy of serving distinguished families from West Bengal and neighbouring states, as like Assam, Meghalaya, Tripura, Jharkhand, Delhi, Orissa, Bihar, Maharashtra as well as Reputed Indian families residing abroad, we take pride in our extensive experience in organizing long journeys. This history has inspired us to continually strive for improvements to make future travels even more comfortable and enjoyable for our customers.

To achieve this goal, we have some exciting plans in mind that we wish to implement with the collaborative support of our dedicated travellers. Our goal is to devise and implement an itinerary that aligns with the budget and preferences of our customers. We express our gratitude to our team for their tremendous dedication and support, which played a crucial role in making this journey fulfilling. We ensure that your journey is not only seamless but also filled with joy and comfort at every moment.

Understanding the challenges families face when traveling independently, we aim to alleviate any discomfort or financial losses that may arise due to misunderstandings with unscrupulous organizations. We always strive to prioritize budget-friendly tours, ensuring that our tour designs are crafted in a manner that remains affordable for everyone. We have meticulously arranged all the necessary elements, such as vehicles, hotels, train tickets, and flights, to provide you with a hassle-free travel experience.

In essence, if you desire a tension-free journey, we stand ready to offer our services. Our travel itineraries for Puja, summer, and winter seasons (Conducted Tour) have been sent to you for consideration.

We eagerly anticipate your cooperation.

Warm regards, Rana Pratap Rakshit
